## JANUARY RESIDENT SPOTLIGHT: ANNE ZAGAS

It's the first month of the New Year, a month of new beginnings, and who better to choose to start the New Year than our new resident Anne Z. Anne has been a bright spot since her arrival here at Holy Family Manor, with a kind personality that is hard not to get along with. She has blended in seamlessly with the other residents and hopped right into activities. Anne especially enjoys Bingo and has been quite lucky. She is a joy to be around and goes out of her way to make others feel better. We are lucky to have her here with us at The Manor.

## FEBRUARY RESIDENT SPOTLIGHT: LEONARD WISNIEWSKI

It's February, the month of love! So it was no hard task to choose a resident spotlight for this month. We choose Leonard W. not just because he loves chocolates and is really sweet but because he is such a kind person and gentleman. Leonard is a loving family man whose family often visits. Although he gets many visitors, he still finds time to join in activities. He often enjoys attending our daily activities, especially bingo, pokeno, and roulette. It also helps that he has plenty of luck.

So for the month of love, we couldn't have chosen a better resident than the family man who never misses an opportunity to tell us all. That his wife's name is Emily and he loves her very much. Leonard is a lovely person, and we are blessed to have him here with us at Holy Family Manor.
