APRIL RESIDENT SPOTLIGHT: BARBARA NEUSCH

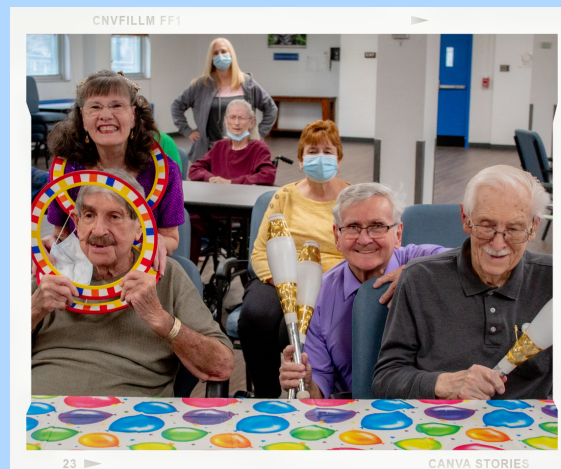

Its spring! The flowers are blooming, and the weather is still gloomy. This month we chose Barb N. as our Resident Spotlight; she's a beautiful soul inside and out who loves to be around great company. She attends Mass every day as well as many activities. She loves to do anything to keep awake, which is also one of her favorite sayings when she's asked to do something. Barb loves to color, do arts and crafts, play bingo, pokeno, and her favorite playing cards. And on a relaxing day, she loves to watch Criminal Minds and just about anything on the ION station. She has a great sense of humor and loves to tell small jokes. She is such a bright spot on our rainy days, and we are lucky to have Barb here with us at Holy Family Manor.

Happy Birthday!

Michael H. – April 3rd

Leonard W. – April 12th

Catching up with our new Director of Nursing: **Lindsey Ruane**

Q. Hello, Lindsey. Welcome to the Manor! Tell me a little about what you've done before joining us.

A. "While I was in college studying sociology, I took a job working at UPMC Presbyterian in the head trauma unit and was encouraged to change my major by the nurses there. One thing lead to another and I ended up graduating from St. Margarets in 2009. After that, I have spent the last 10 years at Vincentian in skilled nursing."

Q. What are you most excited about in starting here?

A. "I'm excited to get to meet all of our families and work towards growing our admissions. I'm especially excited to work with our memory care unit as Dementia has always been a special interest of mine."

Q. Outside of work what sorts of things do you enjoy?

"I love spending time with my husband and my two kids."

A. We love to go to our lake house in the summer and spend time on the beach."

**Our tenth annual Highmark Walk is
